

SCCFOA WHEN-IN-QUESTION RULES...

It is not a catch or interception

It is block below waist

It is a chop block

It is a block in the back

The ball is not touched on kick or forward pass

The ball is accidentally kicked (touched)

It is a forward pass not a backward pass

It is a forward pass not a fumble

It is a catchable forward pass

The clock is stopped for an injured player

Forward progress is stopped

It is Kick-catch interference

There was a reasonable opportunity to catch

It is a catchable forward pass

It is a touchback not a safety

It is roughing kicker rather than running into

It is not a Face Mask foul

It is not an ineligible downfield

It is a post-scrimmage kick foul, not a previous spot enforcement

Fouls the purpose of considering an ejection - it was a "football act" and not an ejection

The celebration was not prolonged or choreographed

It is taunting and baiting and it is always a foul

Striking or attempting to strike an opponent in a manner not related to football is an ejection
