Game Clock/Unfair Clock Tactics - Rule 3-4-3

Play #3: Team A leads by three points late in the fourth quarter. With 1st-and-10 at the A-40, A12 throws a pass to A88 who makes a diving catch inbounds at the A-49. Team B has no timeouts remaining. Instant Replay stops the game for review with 2:03 remaining on the game clock, and three seconds remaining on the play clock. After review, instant replay lets the ruling on the field of a diving catch stand.

RULING: Team A ball, 2nd-and-1 at the A-49. The play clock is set to 25 seconds and the Referee will invoke Rule 3-4-3 and start the game clock on the snap. The Referee is given broad authority in the timing of the game, and he can order the game clock started or stopped when appropriate. The Game Clock Axioms contained in the CCA Football Officiating Manual remind Referees to consider invoking Rule 3-4-3 when the game clock is under five minutes of each half.
