*Michael Ross*

## Umpire = Manager

1. Umpires manage the game as you leave the locker room to the end of the GAME!
2. Watch line play during warm-ups!
3. Inspect the field for unusual markings and hash marks.
4. Be prepared to work the game when you arrive on the field.
5. Communicate with your crew.
6. Communicate with the linebackers.
7. Watch line play and do preventative officiating.
8. Reward good play with words.
9. You are the key to a smooth running game so take charge.
10. Know your enforcements (Bin Book).
11. Make your Referee feel comfortable.
13. Hustle at all times/don't rush.
14. Stay focus on your keys and pre-snap routine.
15. Have Fun! There is no better place on the field!
